

### Organisation Update

#### GV Imaging / CT Scanner

On Monday radiology services commenced from the newly renovated area, including the new CT service. At least 10 CT scans were performed on the first day, proving the value of the service to the community, reducing their need to travel.

#### Pathology

The temporary radiology area will now be prepared for pathology. This service will move in the next two weeks.

#### New Consultant

Mr Tony Jackson, Cardiologist has commenced consulting from our new rooms and will be visiting regularly. This is another service that reduces the need for community members to travel.

#### Uniforms

The Uniform Committee has agreed on the uniform range and managers are preparing contracts with the provider. A Committee meeting has been scheduled to review the Dress Code policy.

### Crucial Conversation Training

- ◆ Need help raising difficult topics?
- ◆ Want to provide feedback but don't know how?
- ◆ Ever leave a meeting thinking "don't they listen?"
- ◆ Do you sometimes feel unsure of what others really want?

This program is open to all KDHS Staff

**Location:** Group Room (Community Health)

**Dates:** 8 & 15th October

**Duration:** 2 days—you must be able to attend both days in the same Group

**Times:** 8.30am to 4.30pm—both days (meals provided)

**Bookings:** Please contact Susan Briggs on 5857 0255 or sbriggs@kyhealth.org.au

**Limited to 12 spaces**

### Congratulations

To Pip Inglis on successfully completing her Graduate Certificate in Occupational Therapy (Paediatrics). This achievement demonstrates the dedication and commitment Pip displays towards her role here at KDHS as an Occupational Therapist. Congratulations Pip.

### Brain Teasers

- ◆ Two legs I have, and this will confound, only at rest do they touch the ground? What am I?
- ◆ What part of your body disappears when you stand up?
- ◆ What has a head, a tail, is gold and has no legs?
- ◆ What stays where it is when it goes off?
- ◆ What letter is missing here:    MAMJJASOND
- ◆ If two's company and three's a crowd, what are four and five?

COME ALONG AND JOIN US AT  
KYABRAM HEALTH

**A Huge Thank You**

On behalf of Husband (Wayne), my Son (Brodie) and myself we would like to pass on our appreciation to all the wonderful staff here at KDHS for their support, donations and all the messages we have received since our unfortunate accident. We are very much overwhelmed by the generosity and can not say Thank You enough.

Bindi-Jane, Wayne & Brodie Hartford.

**Cancer Screening Project Information & Celebration Day**

Cancer Prevention Representatives will come together on Wednesday 26th August at KDHS to discuss strategies to increase participation in screening for Bowel, Breast & Cervical Cancers. The innovative project implemented by KDHS in partnership with Cancer Council Victoria aims to increase awareness and improve participation rates in the Kyabram area, particularly for our low socio economic demographic. Project Officer, Dale-Maree Florence, has been working with both community and health organisation representatives over the past year to develop strategies and initiatives to implement. The event to start at 10am will highlight the activities planned and those already in progress. One of these is education sessions for all health professionals including staff at KDHS.

For more information please contact Dale-Maree on 58570321 or 0417 396948
