**KDHS' David Edwards receives a \$1000 cheque from Cross Pistons Saloons member Reno Lia.**

## Help for hospital

Another \$1000 has been thrown into Kyabram District Health Service after another generous donation from the Kyabram Cross Pistons Saloon bike club.

The money, sourced from the Cross Pistons Saloon's annual fundraiser — The Bike, Car, Tattoo and Big Rig Expo — will be put towards a new LCD screen in the education room at KDHS.

The education room is used for student nursing rounds, graduate

nursing seminars as well as training for current KDHS nursing staff.

KDHS executive assistant Gwen Campbell said the donation was another in a long line from the Cross Pistons Saloon, who have been putting money into the hospital for the past six years.

"We really appreciate their support over the years and this money will help ensure we can keep our nursing staff up to date," she said.
